Sedum spurium "White"	4-6 (100-150)	white	mid summer

Features

- application from spring until autumn possible
- engineered and proven plant lists
- fast coverage of the substrate
- great scope of design possible
- quick and easy installation

Installation Instructions

Apply plug plants in the recommended application rate and according to the Sedum Carpet plant list in the Growing

Media Zincoblend E. A sufficient watering is recommended. Please observe the recommendations on the specific plant lists.

Health and Safety

This product does not require a material safety data sheet (MSDS) according to the OSHA Hazard Communication Standard (29 CFR 1910.1200). When used as recommended or under ordinary

conditions, it should not present a health and safety hazard. However, an MSDS can be provided as a courtesy in response to a customer request.
